Overview

【Japan】 In June, Same Store Sales became 97.7% and All Store Sales became 96.6%. In June, although sales of summer items increased due to rising temperatures, the number of customers did not grow sufficiently. As a result, same-store sales were lower than in the previous year. EC sales were 98.5% year-on-year.

Notes	Same Store : Stores and online stores operated fully through the previous year, excluding stores which closed more than 3 days in a month due to the renovation and other reasons. All stores : Stores and online stores EC: Online stores operated by our company and third parties. * Normally, when calculating Same stores, stores that are closed for 3 days or more during the month are excluded, but as an exception, the same month of the previous year is not excluded.  These are the preliminary result we usually announce on every 2nd business day* of the succeeding month. In case of discrepancy between the preliminary result and the official result, we announce the revised figure together with the preliminary result of the next month.  * Please note that following the transfer of shares in the China joint venture, the company is no longer included in the scope of consolidation. As a result, figures for China wholesale sales have been excluded from disclosure starting in May 2025.
