Overview

【Japan】 In March, Same Store Sales became 90.6% and All Store Sales became 91.8%. In March, sales of spring items slowed down due to lower temperatures compared to the previous year. As a result, Same Store Sales were below the previous year. EC sales were 99.0% year-on-year.	
【China】 In January, we expanded our range of locally produced products in China to cater to the needs of Chinese customers and to enhance retail sales expansion in China. As a result, the wholsale of China was 77.0% year-on-year.	

Notes	【Japan】 Same Store : Stores and online stores operated fully through the previous year, excluding stores which closed more than 3 days in a month due to the renovation and other reasons. All stores : Stores and online stores EC: Online stores operated by our company and third parties. * Normally, when calculating Same stores, stores that are closed for 3 days or more during the month are excluded, but as an exception, the same month of the previous year is not excluded.
	【Overseas】 China Wholesales are those made by our consolidated subsidiary, 巴罗克(上海)企业发展有限公司 in China.
	These are the preliminary result we usually announce on every 2nd business day* of the succeeding month. In case of discrepancy between the preliminary result and the official result, we announce the revised figure together with the preliminary result of the next month. * Due to consolidated accounting reasons, China Wholesales are disclosed two month behind.
