Overview

【Japan】 In March, Same Store Sales became 101.5% and All Store Sales became 99.2%. In March, strong sales of spring items, the success of collaboration items, and the growth of MOUSSY denim products contributed to the strong performance of e-commerce. As a result, both the Average Sales per Customer and Same Store Sales exceeded the previous year. EC sales were 101.1% year-on-year.	
【China】 In January, due to continued weak personal consumption in China and the company's efforts to close unprofitable stores, the wholesale of China was 66.2% year-on-year.	

Notes	【Japan】 Same Store : Stores and online stores operated fully through the previous year, excluding stores which closed more than 3 days in a month due to the renovation and other reasons. All stores : Stores and online stores EC: Online stores operated by our company and third parties. * Normally, when calculating Same stores, stores that are closed for 3 days or more during the month are excluded, but as an exception, the same month of the previous year is not excluded.
	【Overseas】 China Wholesales are those made by our consolidated subsidiary, 巴罗克(上海)企业发展有限公司 in China.
	These are the preliminary result we usually announce on every 2nd business day* of the succeeding month. In case of discrepancy between the preliminary result and the official result, we announce the revised figure together with the preliminary result of the next month. * Due to consolidated accounting reasons, China Wholesales are disclosed two month behind.
